Help
Congratulations!
You solved this level with 33 lines of JavaScript:
penColour('#ffff00');
for (var count2 = 0; count2 < 3; count2++) {
for (var count = 0; count < 5; count++) {
moveForward(50);
turnRight(144);
}
penUp();
moveForward(150);
turnRight(120);
penDown();
}
Are you ready for level 10?
